▶ **General Terms and Conditions:**

The IEEP may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

Customers are responsible for any such tax implications associated with reimbursement. The IEEP is not responsible for any tax consequences associated with any payments. The IEEP assumes no responsibility for performance of equipment and equipment warranty. The equipment must be purchased new and installed within the member utility's franchise service area within six months of receipt purchase date. The customer relieves the IEEP of any and all liability associated with this project. The IEEP reserves the right in its sole discretion to terminate or modify this program at any time.

I, the undersigned, agree to the terms and conditions of this document. I understand that I am fully liable for any tax consequence that may arise from this reimbursement.

Qualifying Measures Worksheet

Your electric utility has qualified the energy-saving appliances listed on this page for Appliance Advantage incentives. For the appliance to be eligible, it must meet the minimum qualifying standards indicated in the chart. For projects up to \$2,500 pre-approval is not required. Projects greater than \$2,500 require pre-approval. If you have any questions or you require pre-approval, please contact the IEEP at (800) 263-0960.

Please ensure that the product has the Energy Star label. To find out more about ENERGY STAR® appliances, or to inquire about qualifying products, visit the ENERGY STAR® website: www.energystar.gov
