Top Youth Volunteer

This award goes to an outstanding volunteer who always has a positive attitude, goes above and beyond our expectations and truly showcases a dedication to service.

Top Volunteer Organization

Engaging volunteers to serve is a primary focus of our program. Each year a large number of groups and agencies throughout our community provide a number of volunteer opportunities to youth of our community. Most agencies and programs strongly promote positive youth development and provide countless learning opportunities. Without these organizations we would not be able to provide as many opportunities as we do. This award is given to publicly recognize an outstanding organization that has done just that.

Friend of Youth

Each year a large number of citizens throughout the Town of Clarence devote countless hours of service to the children and youth of our community. This support, in the form of personal time and contributions of resources, assists the Clarence Youth Bureau in delivering programs and opportunities. In addition, many of these individuals have provided such service without fanfare or recognition for a number of years. As a municipal agency concerned with the growth and development of the young people in our community, the Clarence Youth Board and Youth Bureau offers this award publicly to recognize and celebrate such efforts.

Presidents Award

The president’s volunteer service award is a very prestigious national honor offered in recognition of sustained volunteer service. This award is issued by the president’s council on service and civic participation, a group created by President George W. Bush to recognize the valuable contributions volunteers make to our nation. This award is available to anyone and everyone who serves a specific amount of volunteer hours within a 12-month time frame. This award is a impressive addition to any resume or college application.
