"In addition to, and not in limitation of the insurance requirements contained herein the Consultant agrees:

The Consultant agrees to indemnify and hold harmless the County for all damages, liabilities, losses and expenses arising out of any claim that a deliverable infringes upon an intellectual property right of a third party. If such a claim is made, or appears likely to be made, the Consultant agrees to enable the County's continued use of the deliverable, or to modify or replace it. If the County determines that none of these alternatives is reasonably available, the deliverable will be returned. All records compiled by the Consultant in completing the work described in this Agreement, including but not limited to written reports, source codes, studies, drawings, blueprints, negatives of photographs, computer printouts, graphs, charts, plans, specifications and all other similar recorded data, shall become and remain the property of the County. The Consultant may retain copies of such records for its own use.]
