

EQUIPMENT	VENDOR	BID PRICE (per bus)
DOC & CCV installed	Penn Detroit Diesel	\$1,561.25
DOC & CCV ONLY	Penn Detroit Diesel	\$1,121.25
CCV Installed	Engine Control Systems	\$ 545.00
CCV ONLY	Fleet Pride	\$ 199.99
DOC Installed	Engine Control Systems	\$ 748.00
DOC ONLY	Engine Control Systems	\$ 628.00

Please note that some school districts will install the equipment, others will have the contractor perform installations. Thus the amount of the award will total 86 DOC & CCV systems, 162 CCV only, and 6 DOC only. This should not effect the bid price, as each vendor submitted a price per bus.

Also please note that all of the above are awarded to the lowest bidder in each respective category.
