TO: ALL REQUISITIONERS  
FROM: Denyse Insalaco-Weatherbee, Purchasing Department  
DATE: December 12, 2008  
SUBJECT: JANITORIAL SUPPLIES FOR 2009

+++++

Please be advised that the 2009 contract for Janitorial Supplies has been awarded. All prices listed are good for one year. When preparing any requisitions, be sure to meet any minimum order requirement, and if not be sure to include the handling charge.

Please reference bid number 290001-004 on all orders. Do not call vendors to place orders. Put your department's requirements on a requisition. To expedite orders, they can be faxed in by the Purchasing Department. Vendors require a purchase order number to invoice against. By putting requisitions through the system when supplies are needed, it avoids any invoicing problems. Vendors will know what department to invoice and the comptroller's office will know what purchase order that invoice is against. Vendors are required to list the purchase order number on the invoice. If they don't have a purchase order number, or if it is a bogus number it can create problems for payments.

Some vendors did not respond to the bid this year. For items that have been purchased from Emulso, I would suggest setting up a Blanket Order for five hundred dollars and order as needed. (A verbal order for this would be acceptable).

For your convenience I am enclosing a copy of the 2009 line items price list.
