

TO: ALL USING DEPARTMENTS
FROM: Denyse Insalaco-Weatherbee, Buyer
DATE: March 23, 2009
SUBJECT: New Contract For "SPRING REPLACEMENT"
BID NO.: 290085-004

+++++

Please be advised that there is a new contract for Spring Replacement. The contract term is April 1, 2009 through March 31, 2010. The successful bidder is International Spring Company.

Their award was based on their 60% Discount off parts for Dayton, Flagg and Triangle Brands. In reviewing this bid it was determined that the county repairs very few springs, and in most cases replaces the springs.

This is a new vendor, and during the year this contract is in affect, I will be monitoring it. I want to be made aware of any problems whether it is a service, repair or billing problem. I will need any problems in writing, listing your department name, phone number and contact person. Any complaints can be faxed to me at 858-6465. I am not anticipating any problems with this vendor, but when a vendor is new I want to make sure if there are any problems I can attempt to resolve them early on.
