# Protect:

## Sanitation workers

**DO:** use puncture resistant containers (not see-through)  
**DON'T:** put sharps containers in your recycling bin.

## Children, Pets & Visitors in your home

**DO:** keep containers in areas that are child & animal proof.  
**DON'T:** flush needles or lancets down the toilet.

Use the new, handy  
"FIT PACK"  
to store used needles &  
to dispose of them in the  
Needle Point Disposal Units
