Assessor announces first Public Education Meeting Regarding 2010 Town-wide Assessment Equity Project

Lancaster Town Assessor Dave Marrano will be holding the first of the town wide meetings to review, discuss and answer questions on the 2010 Town wide Assessment Equity Project.

The first meeting will take place on Wednesday January 13th at 12:30 PM at the Lancaster Senior Center, located at 1 Artel Metz Drive in Lancaster.

The purpose of the meeting will be to explain why the town is conducting the re-assessment project, the process of doing it, how values are determined, when to expect your initial value, and the process of challenging your value if you do not agree with it. In addition, he will review the timeline and process for exemptions (STAR, Aged, Veterans etc), and answer any other questions the public may have.

Two additional sessions will be happening in February including an evening session, and a session in the Village of Depew.

If you can attend the meeting, but have questions, the Assessor's office in Town Hall is open Monday-Friday 8AM-5 PM. You can call for an appointment at 683-1311, or email the assessor at dmarrano@lancasterny.com. You can also make arrangements to meet with Assessor on weekends or evenings.
