Summer Volleyball Season Ends...

Another cloudy evening, like many others this past year, saw the end of the Lancaster Parks & Recreation Department sand volleyball leagues. The 21st saw our ladies of "A" & "B" play their finals, joining McCarthy Auto as your "C" league playoff champs.

"A League": In the semi finals division champ Green Buffalo Pub-Wohlrab takes out Magruder's two to zip. Frank's-Gorski also pulls out the brooms in a two to zero conquest of the Polish Falcons. The finals then saw Green Buffalo Pub capture the hardware with a win over Frank's.

"B League": Frank's Follies takes it on the chin as 4th place At Your Fingertips takes out the regular season champs two to zip. Third place Desiderio's pulls another upset as they surprise the second place Hit 'n Run squad two to nothing. The finals saw At Your Fingertips continue their hot playoff streak as they take home the trophy two to zip over Desiderio's.

Lancaster Parks & Recreation Department thanks the 19 teams, their sponsors and our officials for another great year. See everyone on the courts indoors in November.
